Gentlemen:

Reference is made to your letter of 11 July returning the original and one copy of each Task Order 3 and 4 to Contract No. AF33(600)-40274. The substitute pages on which you restated the subject work clauses have been noted and are concurred in.

Since your copy of each of the above task orders was not returned, it is assumed that you have retained a revised copy of each order for your records. Therefore, retyped copies of the orders are not being returned as requested by you.

Very truly yours,
